This is the required awareness notification for a FOIA response to be issued to Adam Federman of the Nation Institute concerning “Any and all correspondence or communication between USFWS Principal Deputy Directory Greg Sheehan and the Association of Fish and Wildlife Agencies between June 1, 2017 and December 31, 2017.”

This information is scheduled to be released Friday, July 27th.

Attached are the incoming FOIA request and a 220 page pdf of the responsive records. This package has been reviewed by Larry Mellinger in the Office of the Solicitor, cc'd here.

The following individuals' names appear in the records:

Sec. Zinke 94, 110, 122, 132, 133, 138, 168, 169 (he is mentioned on other pages but all press releases and similar)
Dep. Sec. Bernhardt pg. 9, 116, 117 (he is mentioned on other pages but all press releases and similar)
Todd Willens - pg 152
Tim Williams - pg. 19, 57, 79, 117
Thomas Baptiste - pg. 19
Heather Swift - pg. 19
Leila Getto - pg. 9, 94, 117, 169
Greg Sheehan - on nearly every page

Please note that some attachments to emails do not appear in this interim response, as they were thought to contain potentially confidential business information and are being sent through the submitter notification process. They will be processed separately in the future.

Thank you,
